---

1. Basic Information

Name: Taro Yamada

Address: Shinagawa, Tokyo, Japan

Phone: +81-90-1234-5678

Email: taro.yamada@example.com

---

2. Professional Summary

Administrative professional with 3 years of experience in data entry, customer support, document management, and office coordination. Known for balancing accuracy and speed,
and contributing to workflow improvements within the team. Strong focus on clear communication and providing reassurance to clients and colleagues.

---

3. Objective / Motivation

I am motivated by roles where I can support others by providing clear information and reducing uncertainty. Through my administrative experience, I have developed strengths in accurate information handling, calm communication, and organized task management. I hope to apply these skills in a position where I can contribute to a smooth and supportive work environment.

---

4. Work Experience

ABC Corporation (2021–2024)

Administrative Assistant

- Data entry, document creation, and filing
- Responded to inquiries via phone and email
- Managed schedules and prepared meeting materials
- Assisted with visitor reception
- Proposed and created improved workflow manuals

Achievements:

- Increased monthly processing volume by 20%
- Reduced average inquiry response time by 15%
- Created onboarding manuals that reduced training time by 30%

---

5. Skills

- Accurate data entry (typing speed: 250 characters per minute)
- Information organization and prioritization
- Clear and reassuring communication
- Basic PC skills (Word / Excel / PowerPoint)
- Multitasking and time management

---

6. Strengths / Self-PR

My strengths are clear communication and accurate information handling.

In my previous role, I frequently handled inquiries and documentation that required both precision and calm judgment. I focused on understanding the other person's situation quickly and providing information in a clear and reassuring manner.
This often led to positive feedback such as “Your explanation was easy to understand” and “I feel relieved after talking with you.”

I also contributed to team efficiency by improving workflow manuals and supporting new employee training. I aim to continue providing reliable support while maintaining a considerate and organized approach to my work.

---

7. Certifications

- Microsoft Office Specialist (Excel)
- Bookkeeping Level 3 (Japan Chamber of Commerce)
